

To Whom it May Concern

Dec, 2012

We had the pleasure of working with Accordionist, Miriam Oldenburg from May to November 2012.

It was a temporary contract to replace an existing artist, and we let her go with a heavy heart at the end.

During her time here, Miriam brought the accordion contribution to new musical heights, inspired her fellow musicians with creativity and passion for the show, and quickly became a beloved member of the cast of 60 artists that make up our show "Corteo".

Her inquisitive nature, easy going personality, delicious sense of humor, and genuine personal warmth is something we will not forget soon.

I would highly recommend Miriam to anyone looking for top musical talent and a woman invested with team spirit and positive energy in any situation.

Please feel free to contact me for any reason regarding Miriam's excellent contribution.
